

SSN College of Engineering Honours Cricketer Ashwin

From Left to Right: Mrs. Roshini Malhotra, Trustee, SSN Trust, Mr. R. Ashwin, Cricketer, Indian Cricket team, Mr. R. Srinivasan, Chairman, SSN Institutions, Mrs. Kala Vijayakumar, President, SSN Institutions and Dr. S. Salivahanan, Prinicpal, SSN College of Engineering.

It was a proud day for the students, faculty and staff of SSN Institutions. R.Ashwin, a student of SSN and a member of the Indian team in the ICC World Cup was honored in the college campus.

Ashwin played a key role in India's quest for the World Cup 2011. In two crucial matches against West Indies and Australia, he made a significant contribution with his bowling.

The Chairman of HCL and founder of SSN, Dr.Shiv Nadar felicitated Ashwin by a video conference which was witnessed by the audience.

Mr.R.Srinivasan, Managing Director of Redington India Limited and Chairman of SSN Institutions along with Ms.Roshini Malhotra, CEO

of HCL Corporation and a trustee of SSN Trust also extended their felicitations.

“It is extremely gratifying to see a student of the institution founded by me rise to this level of national eminence. We hope to produce more such talent in future in various fields”, said Dr.Nadar.

“Today, Ashwin has proved himself through perseverance and hard work. We take pride in honoring him. He has not only brought laurels to our country but has also made our college feel proud,” added Mr.Srinivasan.

“Ours is a college that gives space for its students for their all-round development apart from academics. This, we believe, provides the competitive edge to our students to succeed in their career and other endeavors,” said Ms. Kala Vijayakumar, President of SSN Institutions, Chennai.

Ashwin took 2 wickets each in the last league match against West Indies and in the quarter final against Australia.
